Dear Parents,

Family members of currently enrolled students may participate in early enrollment beginning March 1st, for the upcoming 2025-2026 school year. Please complete the attached registration paperwork. We do not need a registration fee for new family members.

You may decide to send your child any amount of days to school from two days a week up to five:

- Two days a week of Little Lambs at \$105 per month.
- Three days a week of Little Lambs at \$135 per month.
- Four days a week of Little Lambs at \$175 per month.
- Five days a week of Little Lambs at \$195 per month.

Please let us know what days of the week you would like your child to attend by circling them on the attached document you will need to return. You may change days later if you need to without an issue as long as the day is not full.

You may note the 2025-2026 \$10 a month increase across the tuition schedule before you recommit to our program. We do not want this to take you by surprise at the time of payment in the fall.

In Christ Jesus,

Brandi Tittel
Lead Teacher/
Director

& Karin Klaustermeier
Teacher/ Administrative Director
